July: Colorado 14'er Event – Information about this annual event (scheduled for Sunday, August 10th this year).

The Amateur Radio Tolerance Society Award

Full description is found on the S.P.A.R. website

The Society for the Preservation of Amateur Radio (S.P.A.R.) is offering a distinguished service award for XYLs who have patiently endured the Amateur Radio addictions of their spouses. The certificate in PDF format can be downloaded, printed, filled out and presented to your XYL from the website:

<http://www.spar-hams.org/index.php?pg=14>

CAST For Kids Event

Saturday June 7th, 2008

This annual event is held at Horsetooth Reservoir on the west side of Fort Collins.

The local Bass Fishing Club brings many of their boats and takes lots of area handicapped kids out for a morning of fishing.

The NCARC provides the communications to coordinate the loading and launching of the boats as well as ship-to-shore communications. NCARC volunteers are needed beginning about 7 am and the event ends with a Noon Picnic (Free Food!!!).

Contact Rick (W0RCY) at ricky@hueb.net or 482-7004 if you can help out with this fun event.

What was that voltage reading?

The volt unit originated in the United States. However, as of 1990, there were at least four values of the volt in use throughout the world: the U.S. volt, the French volt, the volt used in the former USSR and the volt used by all other countries. (Taiwan is the only other country using the U.S. volt unit.) A new "SI volt", proposed in 1987 by the Consultative Committee on Electricity (CCE) and based on other standard values, is yet a fifth volt unit.

The differences between these volt units are small and are measured in parts per million (ppm). Interestingly, the U.S. volt unit is the farthest from the proposed SI volt; it is 9 ppm smaller. Other variances from the proposed SI volt are the USSR volt (3.3 ppm smaller), the French volt (6.5 ppm smaller) and the volt used by all other counties (7.8 ppm smaller).

If you're after accuracy, you can now ask what unit of measure was used to get the reported measurement...

NCARC Meeting - April 19, 2008 - Location: Golden Corral
Called to order by Steve Henry (N7GN) at 9:02 am.

There were 27 members and 4 guests present.

REPORTS

Secretary -- Approved as read

Treasurer -- 5 renewals on membership. Checking is at \$12234.20. Savings unchanged at \$2155.70

Newsletter -- Goes out at the end of April and May, and then Chris Howard (W0EP) will be taking over.

Tech Committee -- no updates. The Events Center repeater has yet to go in. It's over at Steve's (N7GN), all wired & tested. We're now waiting on Randy (W0AVV) to install it in the Events Center. No further information on the Rawhide repeater.

Control Op -- No new changes or requested changes were made. No problems were reported with the repeaters

Interference -- Larry (W7LRY) is the interference, mitigation and location contact person for the NCARC. Larry demonstrated a tape-measure foxhunt yagi and would like to setup some foxhunts.

Ham Fest -- no report at this time.

OLD BUSINESS

Training Class -- Started class this past Thursday. Ordered 30 books from ARRL. Only ended up with 7 students at the class and sold 4 books. The class will run till June 5. Another class will start-up in the fall. If you want to join the class contact Tom at ac0ch@arrl.net. The current class meets every Thursday from 7-9 pm at the LDS church on Hwy 34 in Loveland.

Membership Drive -- There's over 1800 hams living within 30 miles of Ft Collins/Loveland/Greeley. We'd like to send a postcard to all of the them. The estimated cost is \$600. Suggestion was made to tie the post-cards to some kind of event or add an incentive to the cards. If this is successful we'll need a bigger meeting room!

Business Cards -- See Dan (W7RF) if you need more NCARC business cards.

Jackets & Patches -- Willie (W5WIW) has designed some name badges. They're made locally in Greeley.

MOTION: by Dan -- we use Willie and **PS Trophies** in Greeley to supply the NCARC name badges at \$10/badge. Orders to be taken monthly. Seconded by Mike (N7DQ), Motion carried.

Kids Day -- Willie has made up some posters for Kids' Day in Eaton. He's also designed a certificate for the kids who've talked on the radio. Going to have bags with club logo on them and little trinkets. Date is June 21. Contact W5WIW, w.i.williams@msn.com if you can help out.

NEW BUSINESS

CAST For Kids -- Coming up June 7 -- Rick (W0RCY) is looking for volunteers. This is a morning event at Horsetooth Reservoir.

March of Dimes -- Going to be APRS ONLY Event. Still need volunteers. See Steve after the meeting if you want to help.

Fort Collins Marathon -- Managed by ARES -- coming soon. There will be a new UHF repeater for the marathon. Still looking for volunteers. Going to be held on the 1st weekend in May.

NCARC Picnic -- Informal poll was taken about holding a picnic/boating event at Boyd Lake sometime in August. About 18 wanted the boating option. 2 folks would prefer a non-boating option. Dan (W7RF) will report next month on his investigation of how to make this happen.

Field Day -- June 28, 29. Looking for ideas of locations. Contact N0EAS (Eric) if you have any ideas.

KB0GN needs help setting up a verticle antenna. See Dave after the meeting who can help.

The NCARC Kids Day is moving along !

June 21, 2008

If any one wants to donate anything to go in the hand out bags or can help with this event, please contact

W5WIW Willie Williams, 434 Magnolia Ct, Eaton, CO 970-454-3821, W.I.Williams@msn.com

We are making up 50 bags for passing out to the kids that talk on the radio.

NCARC Officers Meeting - April 19, 2008

Location: Starbucks -- Harmony & Timberline

Called to order by Steve Henry at 7:09 AM

Attendees:

- *Steve Henry
- *Bill Beach
- *Dave Langenberg
- Mike Bates
- Larry Arave w7lry
- *Dan Magro

(*) Officer

APPROVAL OF MINUTES FROM MARCH -- Minutes Approved

OLD BUSINESS

Bylaw Changes -- Small corrections to proposed new bylaws were made. New bylaws will be read at the general meeting and voted on in May.

Mass Mailings -- It's going to cost about \$1 to send 3 postcards. We're thinking of spending \$600 on a mass mailing. Mike is going to get another list, and we'll re-consider this at the next board meeting. Dan will finish up the postcard and send it to the officers as a PDF over email.

NEW BUSINESS

Hats and Vests -- We're going to re-digitize the logo, and consider this as embroidery on a hat rather than a patch applied to a hat. Another suggestion was to register with a place in town and let folks go directly to the company to place their order.

Ideas:

- * Polo shirts with logo on them -- let the members order them from a local business
- * WL7RS should be consulted on how to go about this further -- she's involved in the logo-ware business.
- * Get a standard visible hat for ham-fest and give them to the volunteers. Hats should be good quality not made of plastic, and embroidered

HamFest Officer -- Steve Called Matt (KG0W) and he is moving back to Fort Collins. He's interested in still doing the hamfest

Presenter's Gifts -- Suggestion made that the club pay for breakfast for presenter and possibly make NCARC Mugs, and give them away to presenters as a gift for presenting.

NCARC Picnic -- Suggestion to have an NCARC picnic and boating event at Boyd Lake sometime this summer. Dan will bring it up at the General Meeting. Suggested month will be early August.

Meeting Adjourned at 7:55 - Next Meeting: 7:30 golden corral (over on the other side of the restaurant)

Notice: NCARC Name Badges are now available for only \$10 each.

Just send your name; as you want it on your badge to **W5WIW** Willie Williams, 434 Magnolia Ct, Eaton, CO 80615, W.I.Williams@msn.com. It can be your full name, your first name, or your nick name and your call sign. Mail your payment for the Name Badge(s) to the NCARC P.O. Box (or bring it to the club meeting) and allow 3 to 4 weeks for processing. To view a sample of the name badges, just come to the club meeting.

+++++

The following pages are a copy of the NCARC Bylaws as revised on 19 April 2008. It is required that this be placed in the newsletter as there will be a vote on accepting this document at the NCARC meeting in May 2008. If you have any questions regarding the document, please contact the NCARC Secretary, Dave Langenberg. His contact information appears in the table of club officers on the second page of the NCARC newsletter.

NORTHERN COLORADO AMATEUR RADIO CLUB

BY-LAWS

April 19, 2008

Preamble

The Northern Colorado Amateur Radio Club (NCARC; herein below referred to as "the Corporation") is incorporated in the State of Colorado.

Part I Definitions

Section 1. Full Member: A person who is a licensed Amateur Radio operator, agrees to support the purposes of the Corporation, and is current in all dues and fees.

Section 2. Associate Member: A person who is not a licensed Amateur Radio operator, who has never had their license suspended or revoked, who agrees to support the purposes of the Corporation, and who is current in all dues and fees.

Section 3. Household or Family Member: A person who meets the requirements of a full member and resides at the same address as a Full Member. Household members have the same rights and duties as Full Members.

Section 4. Student member: A person who is a licensed Amateur Radio operator, agrees to support the purposes of the Club, and is current in all dues and fees. A student member is a full-time student who can provide a school I.D. or other documentation demonstrating that they are attending school full time. A student member must be the only club member in the household to get this membership classification. A student member gets a reduced membership rate.

Section 4. General Membership: The assembly of full and associate members.

Section 5. Executive Committee: The committee formed by the Corporation's nine officers, (President, Vice-President, Secretary, Treasurer, Technical Committee Officer, Newsletter Officer, Control Operator Officer, Interference Coordinator Officer, and Hamfest Officer) and the chairpersons of committees appointed by the President, and the Corporation Station Trustee.

Part II Rights and Duties of Members

Section 1. Full Members, Student members and Family/Household members may vote upon all business brought before the General Membership, and may vote by proxy upon written notice to the Secretary at least 24 hours in advance of the start of the meeting. Full members, Student members, Associate members, and Family/Household members may participate in all aspects of radio operation and other functions sponsored and endorsed by the Corporation, as outlined by the Corporation's President and Technical Committee and consistent with FCC regulation Part 97 governing the Amateur Radio Service.

Section 2. Associate members have the same rights as Full Members, except that they may not vote on Corporation business.

Part III Corporation Meetings

Section 1. Meetings of the General Membership shall be held on the third Saturday of each month at a place and time designated by the Executive Committee.

Section 2. Special Meetings of the General membership shall be held upon the call of the Executive Committee.

Section 3. The Executive Committee shall meet regularly to plan future directions of the Corporation and perform any other necessary Corporation business as the Executive Committee deems necessary.

Section 3a. Executive Committee meetings are open to the General Membership, however, only members of the Executive Committee may vote on business before the Committee. The Executive Committee is permitted to enter a closed session during their meetings as they deem necessary.

Section 3b. The date, time, and location for the next scheduled Executive Committee meeting shall be announced at the General Membership meeting. Any unscheduled Executive Committee meeting notices shall be posted to the Corporation's email reflector as soon as the Secretary has been informed of the time, date, and location.

Section 4. Meetings shall be conducted according to Robert's Rules of Order.

Part IV Quorum

Section 1. A quorum shall consist of 10% of the current NCARC full membership, at least 3 of whom need to be officers.

Section 2. A quorum of the Executive Committee shall consist of at least five Officers, two of which must be the President, Vice President, Secretary, or Treasurer.

Part V Dues and Corporation Finances

Section 1. Dues are due and payable upon joining the club and on each annual anniversary. The names of members whose dues are not paid after 90 days of the due date shall be dropped from the Corporation's Roster. Reinstatement will occur when dues are resumed, unless otherwise decided by the President.

Section 2. The Corporation will maintain a budget, amended whenever necessary, as determined by the Executive Committee, for the expenditure of Corporation funds. The Treasurer will regularly maintain expenses within the budget. The budget will be prepared in advance of and approved by the first meeting of the fiscal year

Part VI Loss of Membership

Section 1. A member who has their Amateur Radio license suspended or revoked will have their name dropped from the Corporation's Roster.

Part VII Officers

Section 1. Officer posts shall be: President, Vice-President, Secretary, Treasurer, Technical Committee Officer, Newsletter Officer, Control Operator Officer, Interference Officer, and Hamfest Officer as elected by the Full Members. The officers shall be responsible for the affairs and property of the Corporation, have the power to adopt regulations consistent with the Articles of Incorporation and By-Laws, have power to collect dues or fees from Corporation members, solicit, use, hold, or invest funds, gifts, bequests, or endowments, and use same or proceeds therefrom for the Corporation and/or its members in conducting the Corporation's activities.

Section 2. Nomination and Election. The President shall take, or delegate the taking of, nominations for officers for the following year. These nominations shall be announced at a meeting of the General Membership held in October, at which time nominations will also be taken from the floor. The election will be held at a meeting of the General membership to take place in November. All voting will be by voice vote unless a motion to vote by secret ballot has been approved in accordance with Robert's Rules of Order. The nominees receiving the highest number of votes shall be the officers-elect, assuming the post January 1st of the following year for a term of one year. Any nominee not elected may be entered, write-in style, on member's ballots for another position being voted.

Section 3. Requirements of an Officer. An officer must be and remain a Full Member and a resident of Larimer, Jackson or Weld Counties throughout the term. An Officer must serve seriously and to the best of his or her ability, in accordance with the specific duties established for the position by the Executive Committee at the beginning of each year.

Section 4. The President shall preside at all meetings of the General Membership, and shall appoint such committees expedient and necessary.

Section 5. In the absence of the President, the Vice-President shall perform the duties of the president, and in the absence of the Vice-President such officer or Committee Chairman as may be present shall preside and assume the duties of the President.

Section 6. The Secretary shall be responsible for the records of the Corporation.

Section 7. The Treasurer shall be responsible for the funds of the Corporation and be accountable to the President and General Membership. An audit will be called by the President at the end of each fiscal year.

Section 8. The Newsletter Officer shall be responsible for publishing the NCARC monthly newsletter, which will include all meeting minutes and other news items of general interest to the membership.

Section 9. The Control Operator Officer shall be responsible for the programming and maintenance of the repeater controller programs and for the training of new control operators as needed

Section 10. Vacancies. In the event of a vacancy among the officers, through death, resignation, or otherwise, the General membership, shall, at the next meeting, elect a successor to hold office until expiration of the term. An exception is found if the Presidency is vacated; in such case the Vice-President becomes President, and the Vice-Presidents post is filled by election.

Section 11. An officer may be removed from office after a hearing has been accorded, either by a two-thirds vote of the Executive Committee or by a two-thirds vote of the Full Members present at a regular or special meeting of the membership.

Part VIII Executive Committee

Section 1. The Executive committee shall serve as the managerial body for the Corporation, and shall meet to manage the Corporation's affairs.

Section 2. The Executive Committee can spend up to \$500 for any non-budgeted item without the approval of the General Membership. A non-budgeted item in excess of \$500 can be approved provided this expenditure is later ratified at the next General Membership Meeting. If the purchase isn't ratified, then the Executive Committee must decide how the expense is to be paid or covered without using club funds.

Section 3. Email discussion and voting on any item by the Executive Committee is permitted.

Section 3a. An email motion is to be distributed for approval to the Executive Committee. Either an approval or an alternative recommended action is to be provided to the Secretary within one week of the distribution of the motion by email. A vote (yea, nay, abstain) must be recorded by the Secretary from two-thirds of the Executive Committee within the week time frame or the motion is automatically tabled until the next Executive Committee meeting. A summary of the action and a decision is recorded by email if a majority of the Executive Committee have agreed to the request.

Part IX Fiscal Year

Section 1. The Corporation's fiscal year shall begin January 1st and end December 31st of each year.

Part X Amending the By-Laws and Articles of Incorporation

Section 1. These By-Laws may be amended or any part suspended by a majority vote of the Full Members present at a meeting of the General Membership called by the President to consider the change, provided that notice of the proposed amendments has been given at the preceding meeting.

Section 2. The articles of incorporation may be amended by a two-thirds (2/3) majority vote of the Full Members (as defined in the By-Laws) present at any meeting, provided that notice of the proposed amendments has been given at the preceding meeting.

Attested to:

David Langenberg, Secretary
