

STEALTH ANTENNAS
FOR VHF, UHF, AND HF
PRESENTED BY

The HOA Life!

- ▣ My antenna goals were:
 - Built the most *effective* antennas I could
 - Hidden in plain sight
 - On HF, keep the need for a tuner to the minimum
 - Be creative in what I came up with
 - HAVE FUN!

$\frac{1}{4}$ WL Ground Plane, 70cm

3D Folded Loop

2m/70cm

Dipole 2m/70cm

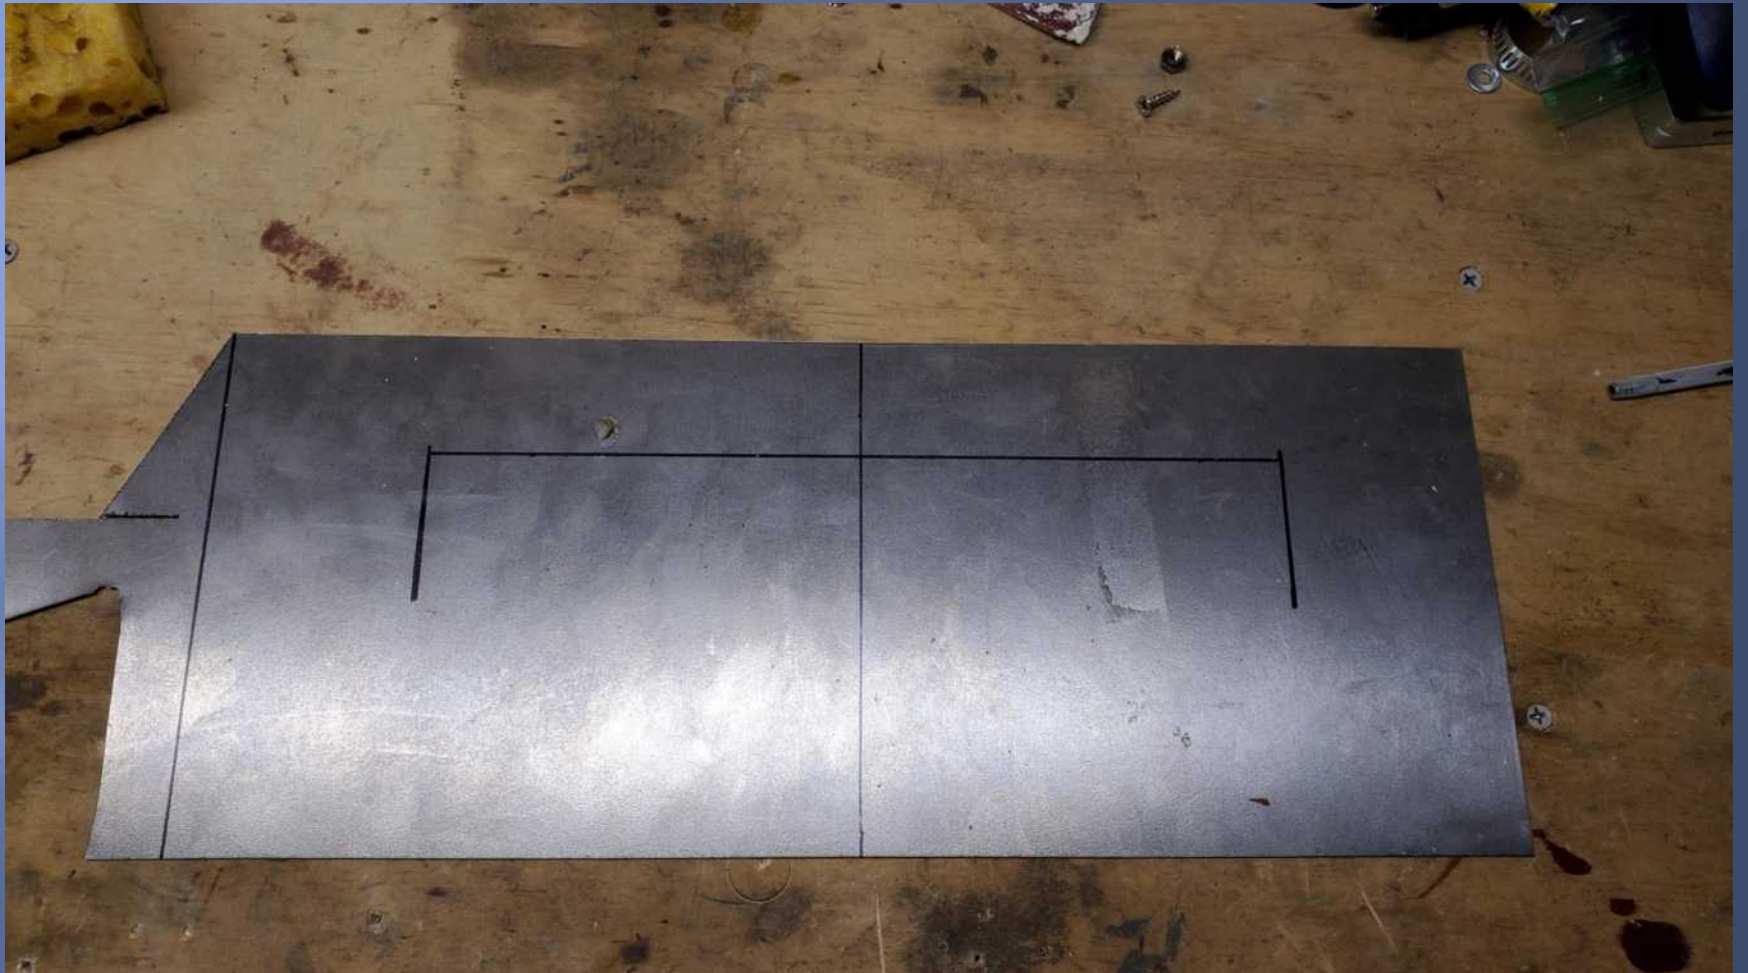

Open Stub J-Pole 2m/70cm

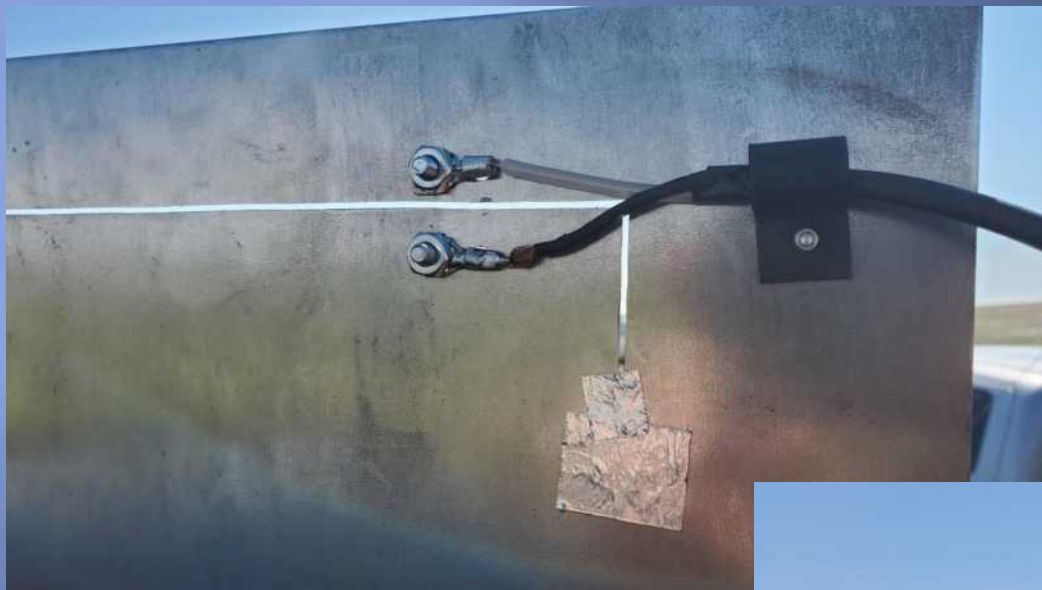

Satellite Dish Slot Antenna 2m

Slot Antenna 70cm

Slot Antenna 70cm

Staggered Slot Vent Cover 2m/70cm

Moxon 70cm

Ed Fong Roll Up J-Pole 2m/70cm

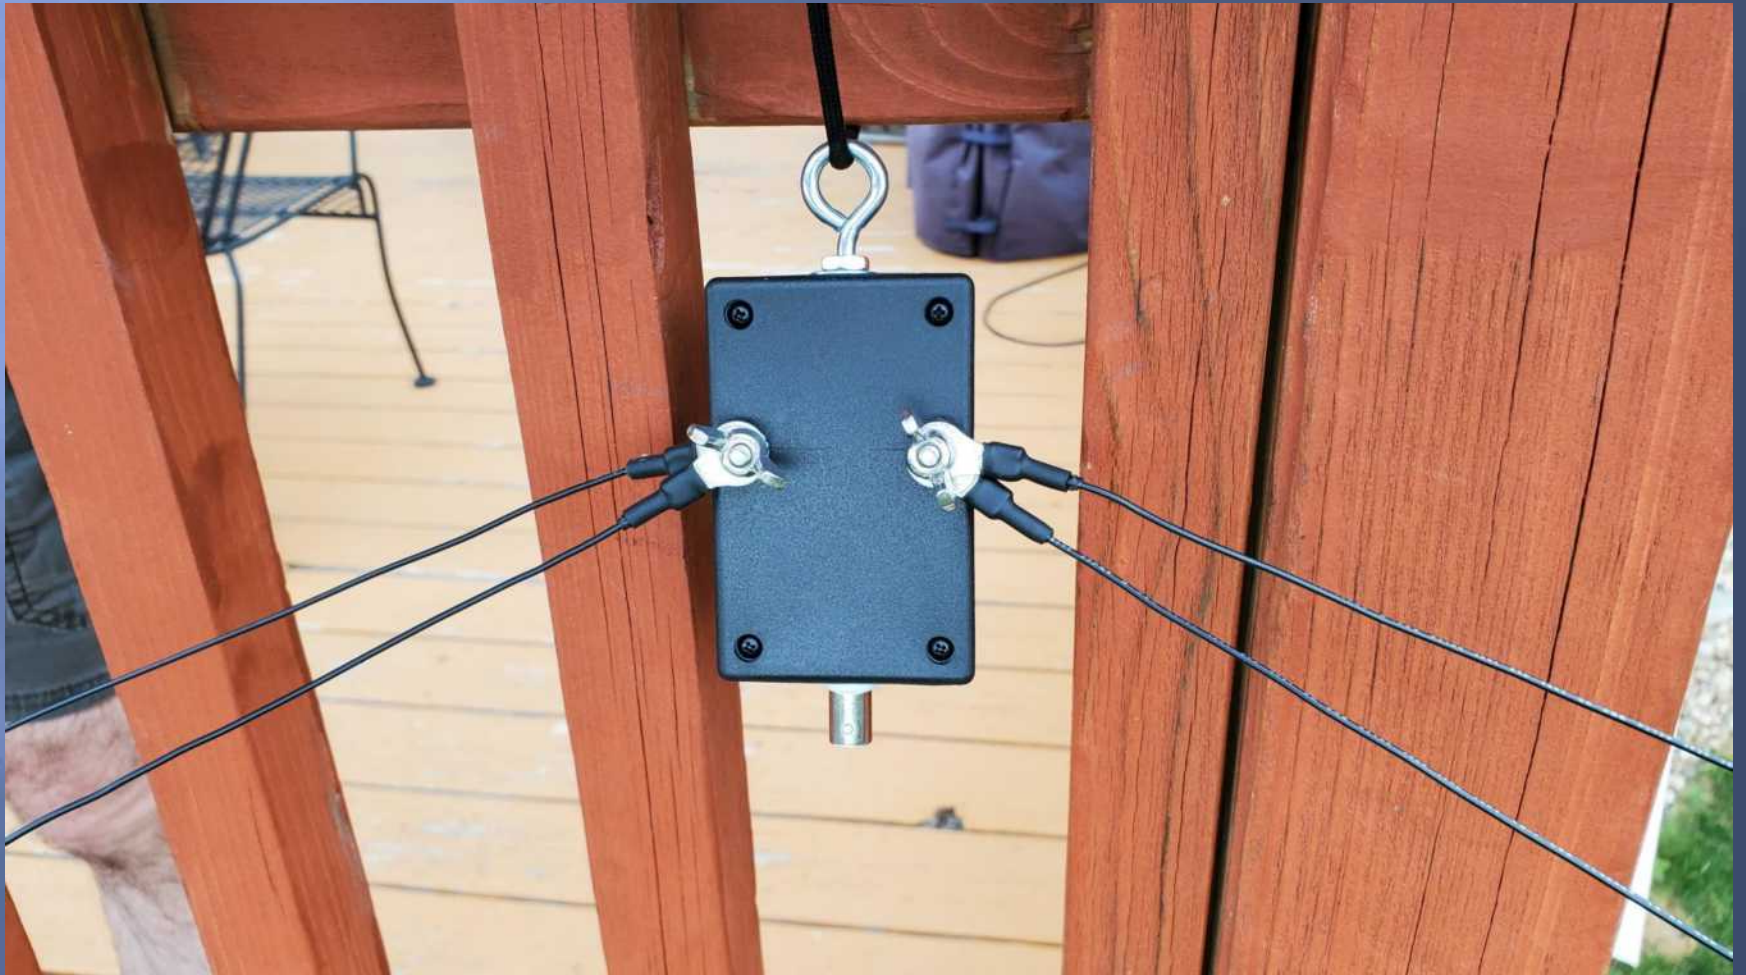

Hidden in Plain Sight

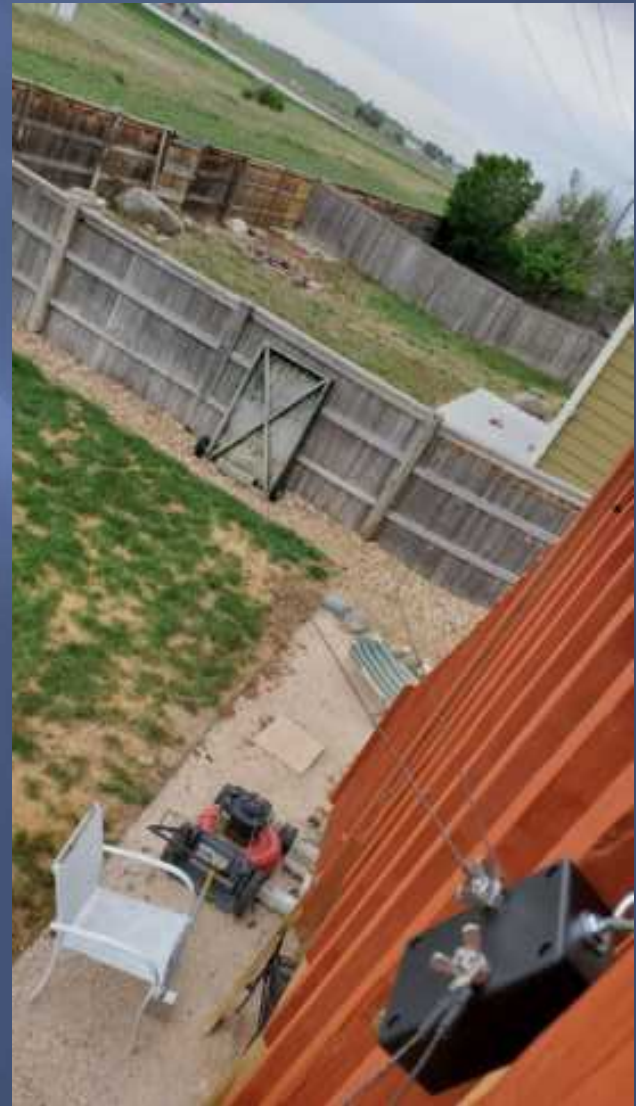

Last Minute Addition

Fan Dipole 20m and 40m

Fan Dipole 20m and 40m

Snap Line Housing

Snap Line Housing

6m Dipole

40m EFHW
40, 20, 15, and 10 meters

40m EFHW

40m EFHW

40m EFHW
